GENERAL WARRANTY

Lifestyle Sunrooms are manufactured with the highest level of technology and under a stringent quality control program to ensure maximum satisfaction. The materials supplied for the completion of each sunroom is warranted against faulty workmanship, or the use of defective materials in the manufacturing process. Baked on finishes are guaranteed for five years against surface damage from normal weather conditions and use. Roof and wall panels subject to the proration provisions set out on this page are warranted against delamination for ten years. Sealed units with Super Spacer are warranted for ten years against seal failure and units with aluminum spacer are warranted for five years. Skylights that are installed by Lifestyle in the roof system are warranted for a period of one year against leakage caused by faulty workmanship.

GLASS AND GLAZING

While every effort is made to prevent any form of scratching in any area of the product, notwithstanding the maintenance of the highest possible standards it is not possible to avoid some minor defects in the glazing. Consequently, certain defects must be accepted as part of the product as follows.

SCRATCHES-VISION GLAZING: Scratches visible at 3m (10') which are up to 75mm (3") in length shall be acceptable. Scratches over 75mm (3") in length shall be acceptable if within 75mm (3") of the edges of a lite, or are not within the normal viewing area.

PINHOLES-VISION GLAZING: Pinholes visible at 3m (10') which are up to 1.6mm (1/16th") in diameter shall be acceptable. Large clusters or close spacing pinholes, visible at 3m (10') shall not be acceptable if within the normal viewing area.

GENERAL-VISION GLAZING: Any other defects in the vision area that are not readily visible at 3m (10') shall be acceptable. Any imperfections in the coating within 10mm (3/8th") of the edge of a lite shall be acceptable.

RESTRICTIONS AS TO INSTALLATION AND USE

The warranty with respect to the product supplied extends only so long as the products are used for the normal and reasonable purpose for which they were intended and does not cover inadequate or incorrect installation or lack of reasonable maintenance during the lifetime of the product.

EXCLUSIONS

There are certain items which cannot be covered under the warranty and the following:

1. Hardware and components from other manufacturers are not covered under warranty, since the liability for those items is strictly that of the manufacturer supplying the same. No warranty in addition to warranty provided by such manufacturer is included.
2. No breakage of glass for any reason is covered, nor is any tear or other type of physical damage to any screen covered.
3. Sealed unit failures due to aftermarket tint materials applied to the interior surfaces.
4. Defects or malfunction of any product which has occurred because of unreasonable use, improper application, or failure to perform reasonable or necessary maintenance is not covered.
5. Damage caused by improper handling or installation is the responsibility of the installer or handler, and any repairs or modification by any person other than the duly authorized representative of Lifestyle invalidates any warranty supplied.
6. Damage to the product caused by settlement or by structural defects to the existing building on which it was installed, or wind, hail, lightning, or other environmental circumstances beyond one's control, intentional accidents, negligence, or exposure to harmful chemicals or pollutants, condensation on the glass which may occur as the natural result of humidity within the building area, and changes in the exterior or interior temperatures.

PROCEDURE WITH RESPECT TO CLAIMS

Should the owner wish, upon discovering a defect under Lifestyle's obligation under this warranty, the owner must notify the dealer from whom the product was purchased in writing within 30 days after the defect first appeared. In such notification, the owner must include the following:

- A. Name and address of the owner
- B. Date of installation
- C. A brief description of the defect for which the warranty is requested

Upon receipt of such of notification, the dealer will notify the owner as to whether this is a completely covered warranty or whether there is a share of prorated costs (where such is applicable), in accordance with the proration schedule set forth under Proration Schedule.

Where proration applies, no repair or replacement parts will be provided until the dealer has received from the owner, payment for the owner's share of the prorated costs, the dealer will however promptly provide replacement parts to the owner upon receipt of such payment.

PRORATION SCHEDULE

The percentage of replacement parts cost to be shared by the owner and Lifestyle in connection with the proration of the roof and wall panels is as follows:
