

WARRANTY WINDOWS

WHAT YOU NEED TO KNOW

Lifestyle is limited to repairing or replacing a product it deems to be defective. Lifestyle shall have a reasonable time to remedy any defect and the owner shall provide reasonable and friendly assistance. No compensation will be provided for loss of time, inconvenience, commercial loss, or special consequential of their damages. If an identical replacement part is not available, Lifestyle may use parts of comparable or greater quality.

INSULATED GLASS

It is rare to find manufactured glass that is totally without flaw(s). According to the Canadian Glazing Standard Board (CCSB) for glazing quality glass such as minute bubbles, eyes, crystals, scratches are normal and inherent to any manufactured glass products. These minor defects or imperfections are not the fault of the dealer or the manufacturer and therefore, are not warranted. These imperfections will not affect the overall beauty or performance of the windows or doors. Lifestyle warrants that the glass utilized in its window products has been manufactured in accordance with the CGSB for glazing quality glass.

COMMERCIAL APPLICATIONS

The warranty is limited to 10 years if the Lifestyle windows are:

- Installed in buildings operated as multi-family dwellings
- Used for commercial purposes
- Used in rental properties, schools, churches, apartment complexes, government-owned structures or office buildings

LIFESTYLE WILL NOT ASSUME LIABILITY FOR:

- A.** Labour Cost
- B.** Defects of damage attributed to installation, normal weathering, accidents, fire, flood, or environmental circumstances beyond one's control, vandalism, riot, civil disorder, misuse, abuse by harmful fumes, vapors or chemical pollutants in the atmosphere, mildew, building settlement or structure failure of the wall of foundations
- C.** Stresses from local heat that lead to excessive temperature differentials over glass or vinyl
- D.** Use of window for a purpose not intended by the manufacturer
- E.** Damage from cleaning with harmful solvents
- F.** Painting or coating vinyl part (warranty becomes void)
- G.** Warping, distortion of damage caused by placing plastic or polyfilm over windows for any reason
- H.** Corrosion to metal parts in applications within 2 kilometres of salt water
- I.** Condensation due to humidity within the structure, or resulting from interior or exterior temperature differentials
- J.** Use of non-Lifestyle window accessories
- K.** Vent stops
- L.** Glass breakage
- M.** Natural variations in wood products
- N.** Films applied to glass will void selected unit warranty
- O.** Any occurrence beyond Lifestyle's control
